

Traffic Advisory – Week of November 11

November 11 - 18: Monday through Saturday (Saturday work as needed), construction work will have the following traffic impacts on Manitou / W. Colorado Avenue. Working hours are 7 a.m. to 7 p.m. unless otherwise specified (weather dependent):

New Impacts

Colorado Avenue:

Wednesday, November 14, 2018 westbound traffic will be reduced to one lane through the intersection of Colorado Avenue and 31st Street during the day between 8 a.m. and 5 p.m., delays expected.

Continuing Impacts

Colorado Avenue:

Traffic will be on the NORTH side of W. Colorado Avenue from Ridge Road to the bridge over Fountain Creek. Traffic will be one lane alternating controlled by flaggers across the bridge (as required) during active construction work. During non-work hours, one lane in each direction will be open.

Traffic will be on the SOUTH side of Colorado Avenue from just east of Ridge Road to 32nd Street for utility work. One lane alternating traffic will be controlled by flaggers (as required) during active construction work. During non-work hours, one lane in each direction will be open. Access to roads and local business will be maintained on the north and south sides of Colorado Avenue.

Pikes Peak Avenue:

Crews will be working on Pikes Peak Avenue at the Ridge Road intersection from 7 a.m. to 5 p.m. Pikes Peak Avenue will remain closed 24-hours-day at the intersection during this work.

Ridge Road Closure:

Ridge Road is permanently closed between W. Pikes Peak Avenue and W. Colorado Avenue.

Midland Trail Closure:

The Midland Trail is closed through Spring 2019 from Beckers Lane to Columbia Road for construction.
