

## Please Join Us for “Coffee with the Contractor” -- #8

Businesses and citizens are invited to an informal update by the project contractor Wildcat Construction to hear a recap of progress to date and a “look ahead” of upcoming spring construction impacts related to the Westside Avenue Action Plan project.

**Date:** Wednesday, May 1, 2018

**Time:** 5 to 6:30 p.m. (note, this time is per request by citizens asking for early evening meetings)

**Place:** Memorial Hall at Manitou Springs City Hall, 606 Manitou Avenue, Manitou Springs 80829

For more information or special ADA accommodations, call 719/488-5908.

**Project Substantial Completion Summer 2019:** Since the project began construction in January 2017, additional property acquisition has been needed, utility conflicts persist, impacts arose from last year’s flooding, unforeseen buried items were uncovered, and additional work was needed on the project as well as in the surrounding area resulting in a longer duration needed to complete the project than originally planned. Wildcat, the project contractor, is working to complete the project as quickly as possible with crews often working extended hours during evenings and weekends when required.

### Project Background:

The Westside Avenue Action Plan (WAAP) is a multi-jurisdiction infrastructure improvements project to improve safety and mobility and provide a long-range economic vision for the 1.5-mile corridor between the two vibrant historic districts of Old Colorado City and Manitou Springs, from 31st Street to the U.S. 24 Interchange. The project is funded primarily through the voter-approved Pikes Peak Rural Transportation Authority.
